

TAKE ACTION IDEAS!

Let's stand up to employers who doing everything they can to stop the passage of the Employee Free Choice Act. Why? Because they want to protect the status quo—a rigged system which allows employers to intimidate, harass, and even fire workers who try to form a union.

Here are a few strategies for helping pass the Employee Free Choice Act:

- Lobby Senators privately (letters, phone calls, emails) or publically (rallies, petitions)
- Mobilize state and local members around the Employee Free Choice Act activities
- Send an email alert to your members
- Write or sign a pro-Employee Free Choice Act editorial for your local newspaper
- Assign a speaker to promote the Employee Free Choice Act
- Feature the Employee Free Choice Act at an event
- Put information on your website about the Employee Free Choice Act
- Send a newsletter to members on what they could do to help pass the Act
